Fundraiser (Marathon Style)

Fundraiser Date & details will be determined in the coming months such as a “jog-a-thon,” “fast-a-thon,” etc. but the basic structure and principle is as follows:

- Teens and their families will have the opportunity to raise funds to reduce the total cost of their Confirmation 3 Retreat by an amount based on collective participation. **In other words, the harder all teens work, the more everyone will benefit.**
- Teens will secure “pledges” based on an amount per unit of the fundraiser, for example Jacob gets a sponsor who is willing to donate \$5 for every mile Jacob jogs, and he jogs a total of 5 miles, the donor will then donate $5 \times \$5 = \25 to the fundraiser. the more sponsors he gets, and the longer he jogs, the more funds he raises. **EACH teen will need to raise a minimum of \$25 to reduce the cost of their retreat.**
